

Citylights is Leading Condominium Developer

CITYLIGHTS Gardens Condominium is coming strong and fast with the rise of its two new towers – Towers 3 and 4. As of date, Tower 3 is on the 17th Floor coming up to the 18th Floor. It has gone past the two old towers of 14 floors each. Tower 4 is coming up to the 2nd Floor. Both towers will be delivered simultaneously on the second half of next year.

Syntech Properties, Inc. (SPI), the developer of Citylights Gardens Condominium, has been selected by the Regional Officer of Housing and Land Use Regulatory Board (HLURB) to be the only awardee of the Leading Condominium Developer for Open Market condominium development category for Region VII this year. The award was received last Thursday by Janice Ngiam, director; and

CITYLIGHTS at night.

Anita Blanco, Sales & Marketing manager; from Antonio V. Decatoria Sr., regional officer of HLURB; Romulo Quirino M. Fabul, CEO and commissioner of HLURB; Teresita A. Desierto, supervising commissioner; and from the Vice Presi-

dent Noli De Castro.

Citylights Towers 2 and 3 is seen even from as far as Mactan. This has increased inquiries, be it walk-in, by e-mail or phone call. Visitors saw the new lay-outs, which is a very big improvement from Towers 1

and 2, in the company's Sales Office.

Citylights Gardens Condominium Towers 3 & 4 take pride in the 3 Ps it carries: premier residence, perfect location, and prime investment. For inquiries, call 2313060.
